

Disabled Friendliness Policy

Ref.-AIHE/2019-20/DFP Policy/001

Date- 22/08/2019

AIHE is dedicated to promoting and instilling values of love, compassion, equality, and justice, which have always been integral to the college's ethos. AIHE aims to eliminate social exclusion by not only providing classroom education but also fostering the development of sensitive and responsible citizens. The college encourages students to become aware of the challenges faced by disadvantaged members of society through engagement with diverse social backgrounds.

AIHE strives to be a disability-friendly institution, creating an environment that is welcoming and accessible to people with disabilities. The college is proud of its inclusive campus, offering facilities and a supportive atmosphere to help individuals grow and achieve their dreams. The institute provides counseling for students with disabilities to help them choose courses in which they can excel. Facilities are updated regularly in accordance with government policies. Staff members are trained to assist and support individuals with disabilities, including those with learning disabilities.

Objectives of a disabled-friendliness policy:

- **Accessibility:** Ensure physical and digital spaces are accessible.
- **Equal Opportunity:** Provide non-discriminatory access to employment, education, and social participation.
- **Support Services:** Offer assistive technologies, counseling, and personal assistance.
- **Inclusive Design:** Implement inclusive design in products and infrastructure.
- **Legal Compliance:** Adhere to disability laws and regulations.
- **Barrier Removal:** Eliminate obstacles to participation.
- **Monitoring and Evaluation:** Regularly assess policy effectiveness.
- **Empowerment:** Provide resources and support for individuals with disabilities.

Lift

Disabled-friendly lifts ensure accessibility for individuals with disabilities. These lifts feature wide doors, low control panels, Braille buttons, and auditory signals. They provide smooth, safe transport between floors in buildings, promoting inclusivity and equal access to facilities for everyone.

Wheelchair

A disabled-friendly environment includes wheelchair accessibility through ramps, wide doorways, and spacious layouts. It also features accessible restrooms, elevators, and clear signage. These adaptations ensure mobility and independence for wheelchair users, fostering inclusivity and equal opportunities in public and private spaces.

Ramp

A disabled-friendly environment includes ramps designed for easy access. These ramps feature gentle slopes, non-slip surfaces, and handrails, enabling wheelchair users and those with mobility challenges to navigate buildings and public spaces safely and independently, promoting inclusivity and equal access.

Disabled Friendly Software

A disabled-friendly website ensures accessibility for all users by incorporating features like screen reader compatibility, alt text for images, keyboard navigation, and high-contrast design. It also includes clear, simple language and accessible multimedia. These elements promote inclusivity, enabling users with disabilities to navigate and interact with the site effectively.

Disabled Friendly Washroom

Our college offers disabled-friendly washrooms equipped with accessible fixtures, ample space for maneuverability, and safety features like grab bars and emergency call buttons. These facilities ensure comfort, privacy, and independence for all students and staff.
